News from Chauffard:

"We are very happy and send you a thousand thanks for everything you are to us. Thank you for the money that always arrives at a good time. Food is really expensive, but I can arrange to feed the children with the amount you sent me. Thank God everything is going well for us in Chauffard despite all the problems in the country. Great rumors circulate around us, but the Lord has always protected us. May the Lord always foster your intentions and may his blessing fall upon you in abundance.
