Sea Container Shipment Collection

Wow! Prices are still going up and you never know what is going to be in short supply! It's the same in Haiti, but there is so much gang violence in Port-au-Prince now that the people of Chauffard cannot go into town to sell their produce. With the price inflation and shortages, their income would not buy much anyway. Help ease their daily burden with the donation of some basic necessities (February 5 through 20). Thank you for your generosity. You make a difference.

We are collecting:

cloth face masks,
reading glasses,
chewable and adult vitamins,
Tums,
pain relievers,
band aids,
antibacterial ointment,
hydrocortisone,
toothpaste and tooth brushes,
pencils and pencil sharpeners,
and pens.

News from Chauffard:

"I am well and the Chauffard community is too. Words fail me to thank you for your repetitive gesture of solidarity. Your benefits touch my heart deeply. Since the children will be on vacation, at the start of the school year in January, everything will already be in order to give them food. May God bless you abundantly. Thank you to all the faithful of the parish of Saints Michael and Peter for your prayers. Next Saturday, 5:30 AM, the mass of Chauffard will be said for their intention. We will remain united in prayer."

Thank You Volunteers!

Dan Germain volunteering at the Chicken & Biscuit Dinner

The response from this parish community over the past twenty-plus years has been overwhelming. You help in countless different ways. We have been able to support the Church of the Immaculate Conception and the community of Chauffard, Haiti at the level we have because of your generosity and the hard work of the committee. What we decide to do matters. Each day we have the chance to use our time, treasure and talents to make a difference for another person. Does the way you spend your time align with your values? The Haiti In Our Hands fundraising events at the Church of St. Michael & St. Peter offer many opportunities for brightening someone's day locally and improving the quality of life for the people of our Twin Parish in Chauffard, Haiti. The Haiti Committee is a fun, friendly, devoted group of people who continually amaze. We'd love to see you at our next meeting or event. Any hour you give will contribute so much. Choose each moment with care and remember: "Whatever you did for one of the least of these brothers of mine, you did for me." (From Matthew 25)
